

UNRIVALED MEDICAL CREDENTIALING EXPERTISE

Basic Licensing Requirements for Telemedicine Practitioners

Physicians need to thoroughly understand the requirements for each state agency affecting them. For example, do you need a special telemedicine certificate or regular state licensing? The table below outlines basic licensing requirements by state.

| Full License Required | | Special Purpose or Telemedicine License Required | Other |
|--|--|--|--|
| Alaska Arizona Arkansas California Connecticut District of Columbia Delaware Georgia Hawaii Idaho Illinois Indiana Iowa Kansas Kentucky Louisiana Maine Maryland Massachusetts | Michigan Mississippi Missouri Nebraska New Hampshire New Jersey New York North Carolina North Dakota Oklahoma Pennsylvania South Carolina South Dakota Utah Vermont Virginia West Virginia Wisconsin Wyoming | Alabama Montana Nevada New Mexico Ohio Tennessee Texas | Colorado: Full License Required except for Shriners Florida: Full License Required, but Statutes Require Physician/Patient Relationship Minnesota: Special Telemedicine Application Required Oregon: No Special License Required (but may be required by insurers) Rhode Island: No Special License Required Washington: DOs and MDs Full License Required; In addition, MDs Require Physician/Patient Relationship |
